R. No.24769-1 Mal.

Station Madras , *Dated the* 14th July 1939

From (Name) Lieut. Col. C.M. Ganapathy, M.C., I.M.S.,

(Designation) Director of Public Health, Madras.

To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

Reference.--G.O.No.2058 P.H. dated 4th June 1938.

I have the honour to state that in the above Government Order, the Government sanctioned the free supply of drugs, mosquito repellants and mosquito nets to the Government servants and their families in Sullia and Kokkada firkas in lieu of the unhealthy locality allowance recommended for the Government employees by the Board of Revenue and the Collector of South Kanara.

In actual working, the distribution of drugs i.e. quinine out of the stock in the scheme of free distribution of quinine is simple and can be arranged for quickly without further instructions.

The distribution of repellants could be arranged for as follows:

Each office should prepare the required quantity of repellant and distribute it to the subordinates of the office,- as the cost of distribution from any central place will be out of proportion to that of the cost of the repellant itself. Further the preparation of the repellant is simple enough, when the formula for the repellant is known. The cost of preparing the repellant being small can be met out of the provision for contingencies that may be available at each office-- or the concerned Department will arrange for an increased provision for expenditure.

Regarding the distribution of mosquito nets, I consider that a central Agency at Mangalore which will supply the mosquito nets on order to the heads of offices in the two firkas may have to be arranged for. Requirements of each centre and each office could be estimated for by each of the concerned departments. The cost on this item will be substantial and extra provision will be found necessary. I may mention, in this connection, the Collector, South Kanara has raised the question whether Government money can be spent on the families of Government servants though there should be no objection to such expenditure from the Public Health budget. In view of the fact that the free supply of mosquito nets etc. to a restricted group was proposed in lieu of unhealthy locality allowance to the Government servants in the locality, the expenditure may rightly be borne by the respective departments.

The District Veterinary Officer, Calicut and the Deputy Registrar of Co-operative Societies, Mangalore have also since requisitioned for the supply of the drugs, mosquito nets etc. for their subordinates who have jurisdiction to tour in Suilia and Kokkada firkas, I recommend that the free supply of drugs etc may be extended to those Government employees who regularly tour in these malarious areas.

I request that Government may be pleased to approve of my above proposals to work the scheme.

I have the honour to be,

Sir,

Your most obedient servant,

Lieut.Col.,I.M.S.,
Director of Public Health, Madras

From (Name) Lieut. Col. C.M. Ganapathy, M.C., I.M.S.,

(Designation) Director of Public Health, Madras.

To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

With reference to your post copy of the telephonic message dated 29.9.39 re. the free supply of drugs to Government servants and families in Sullia and Kokkada firkas in the South Kanara district and extension of the concession to Government employees who regularly tour in the areas, I have the honour to state that the District Veterinary Officer, Calicut states that the Government servants in question will have to tour in those areas only occasionally and such tours will not be for more than nine months in a year. The Deputy Registrar, Mangalore has replied that the Inspectors noted below have to tour in the aggregate for the days noted against them in the areas in

PWS 14/10

a year; but their work is such that all this touring is not done within nine months. The touring is spread over the entire year so that they have to tour the areas again and again throughout the year.

Subject :— Malaria —
South Kanara — (Sullia
and Kokkada fikas) —
proposals to work the Scheme

(W) In Govt No. 2050
Pt, Dated the 4th June
1938, the Govt ordered the
Sec Supply ~~[illegible]~~ of drugs,
mosquito repellants and mos-
quito nets to Govt employees
their families & dependents in
~~the~~ the Sullia and Kokkada
fikas in the South Kanara
District.

2. The ~~D.P.H~~ D.P.H
proposes (i) That the repellant
may

may be prepared in the Office by whose authorities etc. if it is required, the expenditure being met from Contingencies - (The formula for preparing the repellant is already known - Vide M/s No. 2058/H dt 4.6.38.) This proposal may be approved -

(W)

3. As regards mosquito nets the D.P.H. Considers that a Central Agency at Mangalore which will supply mosquito nets for the heads of Offices in the two districts may have to be arranged for - The D.P.H. Considers that the expenditure on this item may rightly be borne by the departments.

4. In view of A on page 2 of, the concessions in G.O. No 2058/H dt 4.6.38 may be extended to Govt. employees who may not reside within the two districts

Pikas, but who may have jurisdiction therein regularly to tour in those areas. The remarks of Dev Dept, Rev, Home, PWD & Fin may be invited also on the D.P.'s proposals

Finance (Exp)

(Previous Finance note on page 5 ante)

This Deptt: agreed to the proposed concession if the Govt: servants in question had to tour for more than 9 months in a year in the malarious areas. The Director of Public Health now reports that the Govt. servants in question will have to tour in those areas only occasionally and that such tours will not be for more than nine months in a year. From the statement on page 7 C.F. it will be seen that ~~that~~ in some cases, the officers of the Registration Deptt: have to tour only for a short period in the aggregate. Submitted that in the circumstances there does not seem to be sufficient justification to extend the Concession to these officers. ~~This~~ The free supply of drugs and mosquito repellants may ~~Deptt. may advise that the proposal~~ perhaps be agreed to. The Govt: Servants concerned ~~are to be turned down~~ may purchase the mosquito nets themselves, as there is no justification ~~for the Govt: making a free supply.~~ for the Govt: making a free supply.

T.M. dt. 16.11.39 to the D.P.H.
T.M. dt. 17.11.39 from the D.P.H.

Please see the reply from the D.P.H. on pp. 11-12 ante. He requests that the principle of supply of nets from a single source may be approved. He then proposes to make arrangements with a firm at Mangalore for the supply of the nets regularly on order. Under G.O.No. 2058 R.H., dt. 4.6.1938, free supply of nets has to be made to Govt. employees, their families & dependants in the Sullia & Kokkada Taluks. Finance has only objected to the free supply of nets to Govt. employees who do not reside in these areas but have only to tour in the areas. In these circumstances it is for consideration whether the proposal of the D.P.H. for the supply of nets from a single firm in cases where free supply has to be made under G.O.No. 2058 R.H. dt. 4.6.1938, may be approved.
